The members of the Salt Spring Island Sheep Breeders' Association are convinced that the act will result in no good to the producers in B.C. and therefore did everything possible to have the act postponed. They sent a wire to C. H. Dickie, M.P., Ottawa, also to Hon. Dr. Weir, Minister of Agriculture, Ottawa; to the chairman of the Marketing Board of Agriculture, Marketing Board at Kamloops and a letter of protest to Hon. Dr. K. C. ### MAYNE

By Review Representative

Mr. Fred Robson paid a short visit to Victoria and Vancouver last week.

The Rev. R. D. Porter returned last Thursday from Vancouver.

Mrs. J. Robson left on Saturday for Ganges on a visit to her daughter, Mrs. G. Mount.

The children are all looking forward to the 24th of May when there will be the annual saluting of the flag and sports at Mayne.

The "Strollers" visited Mayne Island last week with their picture show and music, and played for the young people to dance after. The evening was much enjoyed.

North Saanich is an ideal place in which to make a home. Good roads, good water, low taxes! And the surrounding scenery of mountains, islands, trees, flowers, etc., is magnificent.

### NURSES' HOME FOR GULF HOSPITAL

By Review Representative  
GANGES, May 22.—A large representation of the residents of Salt Spring Island was present at the Lady Minto Gulf Islands Hospital on Saturday afternoon, May 11th, the occasion being the opening of the new nurses' home.

W. M. Mount, chairman of the hospital board, gave a short address and referred to the pleasure felt by all the friends of and subscribers to the hospital, in accomplishing the long felt want. The board, he said, was greatly indebted to the Ganges Chapter, I.O.D.E.; the Sunshine Guild, and other organizations, for the material help given, and hoped that the little building would be the foundation of a good nurses' home in years to come. He then handed the key to Mrs. Walter, widow of Edward Walter, who had been president of the board of directors since its inception in 1913.

Following the formal opening by Mrs. Walter the home was open for inspection and the many guests were ushered in the little building. Only two rooms are completed at the present time, but they are very comfortably furnished and very cosy for the nurses.

The guests were served tea in the corridors and dining-room of the hospital.

Both the home and hospital were beautifully arranged with spring flowers and the new decorations of the hospital were very attractive.

## C.C.F. CHALLENGES LIBERAL

Sir:—The following is a copy of a letter just sent to Mr. Alan Chambers, Liberal candidate in the Nanaimo federal riding:

"The Royal Oak C.C.F. Club wishes to arrange a public debate on the subject, 'Resolved that the policies of the Co-operative Commonwealth Federation are more in the interests of the people of Canada than the policies of the Liberal Party.'"

"Recognizing you as a leader of modern Liberal thought, the Liberal candidate in this, the Nanaimo federal riding, and an organizer of the '20th Century Young Liberal Clubs,' we offer you the opportunity to present your ideas. The C.C.F. policies will be supported by a young member of our organization."

"We would suggest the debate be held at Keating within about a month. Either we will handle all arrangements, or will gladly form a joint committee with Liberals to attend to details."

## SPORTS

### SOFT BALL

The P-I League is now hitting on all six, as it were, and surprises take place practically every night.

The first game took place on the North Saanich diamond Thursday night when Sidney Athletics made a strong start, skidded and ended up on the wrong end of a 14-5 score.

Friday night the James Island boys came over in their war canoes and scouted the 20th Century Liberal Club at the Memorial Park. The game was good in places, weird as well, the Jimmy Island boys at the finish chalking up 15 to the young, up-and-coming Grits' 11.

Sunday the Cougars made tracks down to Saanich's home-run swatters. Just what happened to the Cougars is only known to themselves. Some say that Ralph had them spotted before they sneaked up on their prey. The score keeper wore out several pencils marking down the runs that the Cougars didn't make and that's that.

Monday evening North Saanich donned brand new sweaters with mysterious hydrographics and sallied forth to do battle with the Sidney Athletics at the Memorial Park. These new sweaters made the players non-equilibrium and created a mental hazard for the fast-striding outfield. Result: Game stalled away by the Athletics, 5-2.

Tuesday evening, the 20th Century crossed the high seas with determination and Buster Shade to take a fling at Frank Barrie's handsome gentleman. Shade on the mound for the rejuvenated 20th got the island boys all tired out waiting for the spinners to come and then Bobby Jones succeeded Buster to sizzle over three strikeouts in a row—in the gloaming. With these tactics the island boys just said, here take this game—we'll trim you the next time.

Score 19-15.

Tonight (Wednesday) Saanichton makes a friendly call on the Cougars at the Memorial Park.

BENEFIT GAMES  
On Sunday at the Memorial Park three games will be staged, in aid of the funds of the Cougars.

The fast New Method Laundry team, champions of the city last year, will meet an all-star local aggregation at 2:30 p.m.

At 3:15 Stockers' Junior Baseball Club will meet a local baseball nine.

At 6:30 Stockers' senior baseball tossers will meet the Sidney Athletic baseball team.

Fans: Bring along a little extra change for Sunday afternoon. This will put life in the Cougars—they'll be real wild cats afterwards.

GIRLS ENTER TEAM  
The girls of Sidney and North Saanich are to gather together the best players obtainable to uphold the name of North Saanich, as a team has been entered in the city girls' league.

## DEATHS

**ISLAND PIONEER PASSES.** GANGES, May 22.—The death took place on Saturday afternoon in Vancouver of Mrs. Jane Mount, of Ganges, Salt Spring Island, aged 75. Mrs. Mount collapsed while attending as delegate the United Church Conference at the Saint Andrew's Wesley Church Friday. She was taken to the Vancouver General Hospital, where she passed away.

Mrs. Mount was born in the Shetland Islands and with her husband, Thomas W. Mount, came to British Columbia and settled on Salt Spring Island 50 years ago, and had resided there ever since.

They first made their home at Saint Mary's Lake, but later moved to Ganges. Mrs. Mount experienced all the hardships of early life on the island. She was a woman of sterling qualities and a kindly disposition. She was noted for her untiring efforts in social activities. Was a charter member of the Ganges Chapter, I.O.D.E., and a staunch worker for the United Church, also a strong supporter and worker in other societies and orders.

She is survived by two daughters, Mrs. Clinton S. Woods of Courtenay, and Mrs. Richard Toynbee, Ganges; four sons, Thomas of Vancouver, William, Gilbert and Gavin of Ganges, Salt Spring Island; one sister, Miss Margaret Manson, Ganges; one brother, William Manson, of Vancouver, 26 grandchildren, and one great grandchild.

Representatives from the entire island were present at the funeral service held on Monday afternoon, mourners gathering at the United Church at Ganges long before the hour of service.

In memory of a much loved and respected pioneer citizen, business firms of the island closed their doors.

The service was conducted by Rev. E. J. Thompson, pastor of the United Church on Salt Spring, assisted by Rev. Wm. Allan, Rev. G. W. Dean and Rev. W. J. Westman, former pastors, and Rev. Thos. Keyworth of Sidney, also a former pastor.

Mrs. J. Watson presided at the organ, the hymns chosen being "How Firm a Foundation," and "Nearer, My God to Thee."

Following the service, while the casket was being borne to the waiting car, members of the Ganges Chapter, I.O.D.E., headed by the regent and standard bearer, formed a guard of honor. The casket, covered with masses of lovely flowers, including wreaths from many organizations and societies with whose activities the late Mrs. Mount had identified herself, was conveyed to the family burial plot in Central Settlement Cemetery, where interment was made. The pallbearers were Messrs. Henry Ruckle, W. N. Norton, J. J. Akerman, H. Caldwell, A. J. Eaton and E. Parsons.

**GALIANO RESIDENT PASSES** By Review Representative. GANGES, May 22.—On May 17th, at The Lady Minto Gulf Islands Hospital, Ganges, the death took place of William Karr of Galiano Island, aged 74 years.

## ALL MUST CO-OPERATE

*Gainful Occupation Instead of Relief is the Aim of Your Government*

**IT** is the policy of your government that relief recipients shall give services in return wherever possible. Recent refusal of a certain number to do the small amount of work required has jeopardized this policy and embarrassed those who are willing to do their share.

As a result of the actions of these disturbing groups your government has laid down a policy that all relief recipients, physically able to perform work, but who refuse to do so or to give a reasonable day's service, will be considered ineligible for further relief. Where it is necessary, dependents of these men will be allowed relief and the disqualified relief applicant will be removed from the position of head of the family so far as unemployment administration is concerned. He will only be reinstated when he is prepared to give a reasonable amount of labor in return for his and his dependents' relief.

The policy of your government has been to distribute relief upon a basis of comparative need, having regard for the number of dependents in a family without regard for the physical fitness of the recipient. Only those physically able are required to undertake labour on public works on a basis of one day's work for each \$3.20 received.

Work, wherever possible, will be provided within walking distance of workers' homes; where this is not possible, transportation will be provided. Relief workers will not go out in bad weather. As additional public works funds become available, plans will be made to supplement amounts of relief by extra work.

Your government fully realizes that the amount of relief given is only upon a subsistence basis, but is doing its best to improve conditions and bring about a change in policy. At present the problem is to give the greatest possible distribution to the monies available. The money borrowed for unemployment relief and for public works, plus the annual vote from current revenue for bridge and road maintenance, has been pooled for the purpose of assisting those who find it impossible to obtain employment. It is obvious, therefore, that relief recipients must do their share in the upkeep of roads in return for the allowances made.

Having dealt fairly with relief recipients, your government feels that it should have the reasonable co-operation of the unemployed. Such co-operation will assist in bringing about the improvements which your government desires, namely, that gainful occupations shall be substituted for relief.

Believing that relief scales, in existence when your government took office, were insufficient to prevent suffering where

recipients were without other income, the following changes were made:

Scale of food allowance increased by ten per cent.

Dependents' allowance increased by one dollar each a month.

Allowance to expectant mothers of five dollars a month for a period of four months.

Special grants to organizations assisting needy cases in the provision of clothing and shoes.

Increased medical aid for treatment of the unemployed.

System changed from scrip to cash.

Distribution of \$500,000 in wages in the autumn and winter 1931-35 out of public works funds to relief workers who gave services in return, in addition to regular relief scales.

Granting permission to relief recipients to do casual labor to an amount equal to their food allowance without affecting the relief granted.

The result of this policy has been that, although the number of relief recipients has been reduced by approximately 15,000, the costs of relief has increased by \$750,000 a year.

Contrary to allegations frequently made, your government does not require unemployed single men, domiciled in British Columbia, to go to National Defence camps for relief. All such men without dependents, who can prove they lived in the province prior to May 1, 1931, when relief assistance was instituted, are eligible to receive relief at their established domicile.

Orders have been issued to all provincial relief officers to enforce the regulations respecting the condition that all relief recipients, physically able to do so, shall give work in return for relief.

THE GOVERNMENT OF THE PROVINCE OF BRITISH COLUMBIA

North Saanich Branch No. 37

### BRANCH MEETING

A meeting of the branch will be held in the Orange Hall, Saanich, on Friday evening, May 31st, at 8 o'clock.

A good attendance is requested as the branch is having Captain J. H. Norton as speaker for "In Arabia with Lawrence," should be of special interest at this time owing to the untimely death of Colonel Lawrence. Captain Norton took part in the Arabian campaign under Colonel Lawrence and his story of that almost legendary figure should prove of intense interest to ex-service men.

Other business connected with the branch will come up for discussion.

Rations as usual.

### NOTES BY ROBERT MACNICOL

In discussing the representations made by the Canadian Legion to the special unemployment committee of the government at Ottawa, we outlined the principles upon which remedial measures should be based. It should be distinctly understood that the Canadian Legion has refrained from laying down any hard and fast rules as to how the problem of the unemployed veteran should be dealt with, believing that this is the duty of the government of the day in cooperation with other political parties in the House of Commons at Ottawa. All that our organization has endeavored to do is to lay before the committee the full and complete facts of the situation in which ex-service men and their dependents now find themselves.

**B.C. Well Represented**  
The views of the Legion in British Columbia were ably presented to the Ottawa committee by T. A. Barnard, a past provincial president of the B.C. executive council of the Canadian Legion and also representative of the council on the Dominion command.

The Legion submits that it has established that the unemployed ex-service man is in a position entirely distinct from that of the remainder of the community and that his case should be considered subject to the principles outlined by the organization.

In regard to the 10,000 small disability pensioners who receive relief from the department of pensions and national health, the average age is 41 years. As the average of the unemployed veteran who is not in receipt of a disability pension is 47 years, it will be noted that during the period since
